BE

Shalom CBB families!

We can hardly contain our camp excitement for summer 2024! With the camp right around the corner, we hope you are keeping up with our socials as we have been making many exciting announcements in regards to our team this summer, upcoming events, our initiatives and much more. We want to make sure that our community knows how committed we are to delivering a fun and safe summer experience for this coming year. CBB is a home away from home for us and so many other people, and we are dedicated to making summer 2024 the best one yet. We are counting down the days until we get to be back home where we belong. Make sure to keep an eye out for any emails and updates as well. It's crunch time, CBB families; just a few more months! We are wishing you and your loved ones a happy and healthy Passover.

Raise Days

Save the date: May 15th, 2024!

We have an inspiring goal: to raise as much money as possible to give the gift of Jewish camp and continue providing unforgettable experiences for kids and families in our community.

Let's join together, with hearts full of gratitude and excitement, to support the amazing memories and friendships created at Jewish summer camps.

Last year, our incredible community and our generous matchers helped us raise over \$445,605! We are so grateful and are excited for our campaign this year, as every contribution will be generously matched, so your gift can provide up to 3x the impact for our camp community.

We are looking for parent volunteers to help us with our campaign this year. If anyone interested, please email Dayna at dayna.schwartz@cbbmtl.org.

Happy Birthday!

PROGRAMMING

MATZO BALL SOUP

TOTAL
TIME:
45
MINUTES

Directions:

1. Prepare matzo balls: In medium bowl, whisk together eggs, water, oil, 1 tsp salt and 1/4 tsp pepper. Stir in dill. Add matzo meal and mix to combine. Refrigerate at least 1 hour and up to overnight
2. About 15 minutes before making soup, bring large pot of water to a boil. Add 2 tablespoons salt. With wet hands, roll matzo mixture into 2-inch balls (rewetting hands as necessary) and carefully lower into boiling water. Simmer until puffed and cooked through, 30 to 35 minutes.
3. While matzo balls are cooking, prepare soup: Quarter onions through stem, stopping 1 inch before root to keep intact, and place in Dutch oven along with chicken and 10 cups water. Bring to a boil, skimming any foam that rises to top. Reduce heat and simmer 10 minutes.
4. Add carrots, celery, parsnip, and bouillon base, then dill and parsley, and simmer, covered, until chicken is cooked through and vegetables are tender, 10 to 15 minutes more.
5. Transfer chicken to bowl (discard skin and bones) and save for another use. Discard onion, dill and parsley. Stir matzo balls into soup (and chicken, if desired). Serve sprinkled with dill fronds and cracked pepper.
